# Hutton Scholars

Do you love **Science**?

Are you **Passionate** about Environmental and Marine biology issues?

Want a Summer **Adventure** with a \$4000 scholarship Award?

Are you a High School **Junior** or **Senior**?

**APPLY TO BE A HUTTON SCHOLAR TODAY!**

The Hutton Junior Fisheries Biology Program is a paid summer internship and mentoring program for high school juniors and seniors, and is sponsored by the American Fisheries Society (AFS). Our mission is to stimulate interest in careers in fisheries science and management among groups underrepresented in the fisheries professions, including minorities and women.

Selected students, known as Hutton Scholars, are matched and mentored by a fisheries professional to enjoy an 8-week hands-on fisheries science summer experience in a marine and/or freshwater setting.

## **Hutton Scholars:**

- Receive a \$4,000 scholarship award
- Learn about the importance of healthy aquatic systems
- Participate in resource conservation and management projects
- Gain hands-on work experience out in the field and lab
- Learn about career opportunities in the field and receive resources on course study.

**Apply Online for Summer 2018 at <http://hutton.fisheries.org> Application**

**Deadline: February 28th, 2018**

# Hutton Mentors

Do you want to **Inspire** young high school students?

Do you desire to share your **Passion** for fisheries?

Do you want to participate in promoting **Diversity** and **Inclusion** in fisheries?

**APPLY TO BE A HUTTON MENTOR TODAY!**

The Hutton Junior Fisheries Biology Program is a paid summer internship and mentoring program for high school juniors and seniors interested in pursuing the disciplines of fisheries science, marine biology, and STEM related fields, and is sponsored by the American Fisheries Society (AFS). From the beginning of the program in 2001 to 2017, the program has offered scholarships to 621 Hutton scholars with the help of 638 + mentors in 137 host and financially sponsoring institutions.

Selected students known as Hutton Scholars, are matched and mentored by a fisheries professional to enjoy an 8-week hands-on fisheries science summer experience in a marine and/or freshwater setting.

## **Our Vision:**

The principle goal of the Hutton program is to stimulate interest in careers in fisheries science and management among groups underrepresented in the fisheries professions, including minorities and women.

Mentors hold the key to **Engage**, **Inspire** and **Enrich** the next generation of fisheries professionals. Apply today to partner with AFS staff to help prepare the future of fisheries.

**Apply Online for Summer 2018 at <http://hutton.fisheries.org>**

**Application Deadline: February 28th, 2018**
